What Is Scrip?

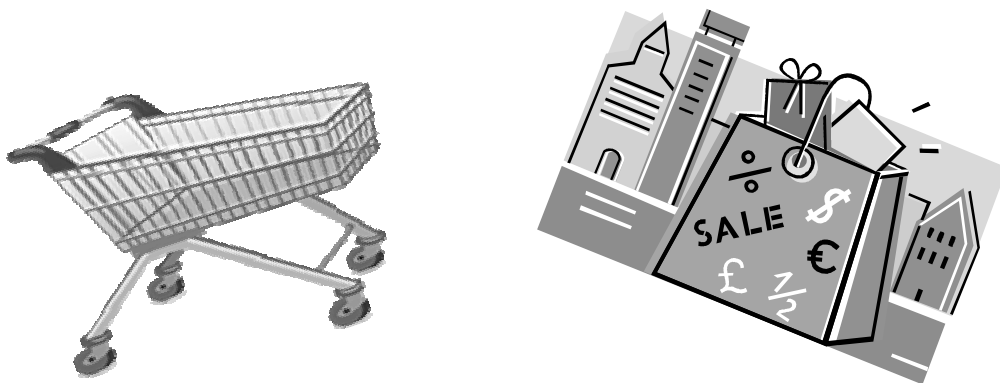

Scrip is a term that means “substitute money”. When you purchase scrip, you’re purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase you earn revenue for US.

How does Scrip generate revenue?

The Great Lakes Scrip Center acts on behalf of churches, schools and other non-profit organizations to purchase large amounts of scrip from grocery stores, department stores, and other retailers. Because the scrip is purchased with cash upfront, the participating retailers offer a substantial discount. US buys the scrip from Great lakes Scrip Center at a discount, and re-sells the certificates to families like yours for full face value. The discount- from two to fifteen percent or more-is US’s revenue. Go to www.glscrip.com or www.shopwithscrip.com to see all the retailers available.

Scrip makes a GREAT gift!

There are a large number of retailers that participate in this program. All of the scrip we sell comes in prepaid cards and gift certificates just like you would purchase from each store. There are many, many retailers that are available for purchase. Please keep in mind we will not have all retailers in stock!!
